

# Dust Containment Systems

## HEAVY-DUTY VACUUM

### BDC-66

The BDC-66, a six cartridge auto pulse dust collector, is preferred by professional contractors requiring continuous operation and high performance. It is designed for high productivity, easy dust handling and ease of maintenance.

The powerful motor and blower provide increased airflow and lift. The innovative silencer reduces noise and contains a slide gate to reduce vacuum when used with smaller equipment. The side access panel allows unfettered access to filters. Couple this with the new filter retaining system, and filter maintenance/ changing is fast and easy.

The auto pulse cleaning system helps prolong filter life as the BDC-66 delivers a maximum airflow of 1294 cfm and static pressure of 20.5 inches. The BDC-66 has four dust handling options: 34 gallon dust bin, Longopac®, 15 gallon and 32 gallon dust bag. With a state of the art design, heavy duty components and world class manufacturing, the BDC-66 is easy to maneuver, has a long service and provides a low operating cost.

#### SPECIFICATIONS:

**Static Pressure:** Maximum 20.5 in H<sub>2</sub>O  
**Air Flow:** 1294 cfm maximum  
**Dust Bin Capacity:** 34 gal (129L)  
**Voltage:** 230/460V, 3ø, 60 Hz  
**Amperage:** 22A/11A  
**Power Cord:** 50 ft. (15.24m)  
**Dust Hose Connection:**  
5 in. (127mm), 6 in. (150mm)  
**Dimensions:**  
L 68 in. x W 30 in. x H 65 in.  
(1731mm x 757mm x 1643mm)  
**Weight:** Net 1014 lbs (460kg)

#### FEATURES AND BENEFITS:

- Standard silencer on top for low sound levels
- Automatic pulse jet cleaning system
- Large dust bin option of 34 gallons with easy hand click system to remove the dust bin
- Ergonomic lifting point on top of the machine for easy transport
- All components are inside the body and frame so no risk of damage during work and transportation
- On-board air pistol for cleaning purposes
- 60 amp UL/CSA socket on electrical panel for connecting equipment
- Heavy duty design with solid body work and construction for continuous use
- HEPA filter option available
